

2018-2019 ECO EDUCATOR

KEEP CINCINNATI BEAUTIFUL (KCB)

is an award-winning nonprofit organization that works to reduce litter and blight, promote sustainability, and cultivate community pride through education and beautification. Our staff helps more than 25,000 students understand the global impact and universal benefits of sustainability. We do this by providing **FREE classroom presentations, assemblies, and field trips** that emphasize the importance of energy and water conservation, waste reduction, litter prevention, and more.

"We really enjoyed the Ready, Set, Recycle program. My "Green Team" recycling club really enjoyed being a part of the on stage production. We also really appreciate the monthly updates on our totals for recycling. We set a goal this year of 10,000 pounds and as of last month we were at 8,990 pounds!"

Teacher at College Hill
